

NEW MARK COMMONS POOL PARTY RULES

For parties held during pool operating hours

Approved by NMC Board March 1, 2018

The following rules apply to private pool parties held during normal pool hours:

- All parties at the pool must be scheduled at least one week in advance with the NMC Administrator Abaris by emailing them at: sambush@abarisrealty.com or nmcadministrator@newmarkcommons.net
- No more than 15 swimmers, includes both members and non-members, can be included in the pool party guest list.
- The party host must check-in with the guards upon arrival.
- The party's food focus may not be held on the pool deck. Picnic tables on the adjoining grassy grounds are there for the party's use. The party's host is responsible for set up, clean up, and all trash removal.
- Parties are limited to two hours. Set up and clean up are in addition to the two-hour maximum.
- The preference is to limit the pool schedule to one party per day. The NMC Administrator has the discretion to schedule up to two parties.
- The pool party host will pay applicable fees. (non-members fees: \$2 per weekday and \$5 weekend)
- Non-member pool party guests must sign a liability waiver.
- All pool parties must provide a minimum of two chaperones.
- Pool party guests must comply with all NMC pool rules.

NOTES:

To be eligible to host a NMC pool party, you must be a resident or non-resident pool member in good standing and in attendance throughout the duration of the party.
